NDPC Mission Statement

To enhance the preparedness of territories, state, local, and tribal emergency responders/first receivers and teams, including non-governmental organizations and the private sector; to reduce the Nation’s vulnerability to incidents involving weapons of mass destruction, terrorism, and all-hazard high-consequence events, by developing, delivering, and assessing plans, training, technical assistance and exercises.
Our History

- Formed in response to the Murrah Federal Building bombing in April 1995
- Originally established by Congress in the Commerce-Justice-Science Appropriations Bill in September 1998
- Membership based on the urgent need to address the counterterrorism preparedness of our Nation’s emergency responders, within the context of CBRNE
- Expanded to address catastrophic all-hazard events
- Re-authorized in H.R. 1, “Implementing recommendations for the 9/11 Commission Act of 2007”
What makes the NDPC Unique

- Primary Training Partner and established training arm of DHS/FEMA
- Collective Core Competencies address all 31 NPG Core Capabilities, 14 Emergency Response Disciplines, and the 15 National Scenarios
- Courses meet and/or exceed DHS/FEMA Certified Curriculum and Instructor Requirements
- NDPC SAA Advisory Council, representing the 10 FEMA Regions, that provides an additional source of customer feedback and training focus guidance
What makes the NDPC Unique

- An established and mature training infrastructure (i.e., training sites, products, people, processes and systems)
- Solicit student feedback based on the Kirkpatrick’s Evaluation Levels I through IV and a Diffusion of Innovation Level III instrument
What makes the NDPC Unique
