

Readiness: Training Identification Preparedness Planning (MGT-418)

The **National Center for Biomedical Research and Training (NCBRT)** at Louisiana State University invites you to join us for a unique training opportunity. The NCBRT is offering the following Department of Homeland Security (DHS) certified course:

This course teaches participants how to create effective training plans for their agencies and jurisdictions. By evaluating their abilities to meet their emergency operations plan (EOP) using traditional and national preparedness tools, participants can answer the following critical readiness questions:

- How prepared do we need to be?
- How prepared are we?
- How do we prioritize efforts to close the difference?

The audience should be integrated and must include participants from the following disciplines:
Law Enforcement, Emergency Medical Service, Emergency Management Agency, Fire Service, Hazardous Materials Personnel, Public Works, Governmental Administrative, Public Safety Communication, Healthcare, Public Health
